INFORMATION FOR PASSENGERS

Please check flight time before departure

Online and mobile check-in opens 24 hours before the scheduled departure.

You can use the self-service check-in kiosks at the airport of departure.

Please note!

On e-tickets, departure times are given in accordance with the local time zone. A payment receipt is required for reimbursement (Paragraph 2 of Article 1.2 of Federal Law No. 54-FZ dated 22 May 2003 (edited 26 July 2019)). Under the letter of The Ministry of Finance of the Russian Federation No. 03-03-07/69371 dated 9 September 2019, a hard copy of an itinerary receipt and a boarding pass need to be provided to the employer to justify air ticket expenses.

Announcement:

Carriage together with other services provided by the carrier are subject to the terms and conditions included in this document through a link to the IATA website. You can also read these terms and conditions in an office of the liable carrier or the carrier specified in the ticket.

Passengers whose carriage includes a destination or stopover in a country other than the country of departure shall be informed that the Montreal Convention or the Warsaw Convention that preceded it, along with additional agreements, may be applied to the entire itinerary, including any segment within the country of departure. For such passengers, the applicable convention (including special carriage conditions stipulated by the applicable fares), shall regulate and possibly limit the carrier's liability.

Important legal notices (<https://www.iatatravelcentre.com/tickets.htm>).

Data protection notification: Your personal data shall be processed in compliance with the carrier's privacy policy (https://www.aeroflot.ru/ru/booking/privacy_policy) or with the privacy policy of the Global Distribution System (GDS) if you have used it to book your tickets. These policies can be found at <http://www.iatatravelcenter.com/privacy>, as well from the carrier or GDS. Please read the documents relating to your booking. They determine how your personal data is collected, stored, used, disclosed and transferred.

The system shall cancel the booking automatically

in case of passenger no-show: if a passenger has not checked-in for a flight specified in the ticket or has checked-in for a flight specified in the ticket but has not shown up for boarding within the established time period without notifying Aeroflot PJSC that they have terminated/changed the Air Carriage Agreement and cancelled the booking using methods established by the Air Carriage Agreement before check-in closes or before boarding (if the passenger has checked-in for the flight but has not shown up for boarding).

Based on Federal Aviation Regulations, Section 2, Paragraph 27 and Section 5, Paragraph 75.
