This cost estimate does not cover the costs for unexpected expansions of the operation or for additional procedures in case of a complication.

If you transfer the amount of the billing without contradiction, you accept our conditions.  
They regulate the treatment, invoice and payment of your medical treatment in our hospital completely.  
If you want the invoice under the terms of the German system (GOÄ, DRG), please ask us explicitly.  
In this case we are not able to give you a cost estimate.

Please enter your complete bank details for possible refunds.

\*Service of other external partner possible.

Please transfer in advance or pay by creditcard or cash
