Cost estimate for Polina Shilina clinic KIK

Mucoviscidosis treatment

General hospital costs according DRG E60A 10.000,00 €

(Estimated duration of stay: 14 days, incl. Medical treatment, care, pharmaceuticals, physical therapy during your stay, administration fee)

Incl. accommodation in a 1-bed-room (rate per night: 44,19 €)

Alternative: price for a 2-bed-room (rate per night: 0 €)

Total 10.000,00 €

Extraordinary or unpredictable complications during the treatment can increase the cost. Necessary services of a third party from outside the hospital are not included in this estimate.

We request to transfer the stated amount as a prepayment to the account below:

Deutsche Kreditbank AG

Account no.: 11 207 370

Bank code: 120 300 00

SWIFT (BIC): BYLADEM1001

IBAN: DE78 1203 0000 0011 2073 70

Or the payment in cash or by credit card on the day of hospital admission. Please check the limitation of your EC-Card and arrange adjustments with your bank. When you leave the hospital we collect a total bill. If there were higher cost than expected and prepaid we would ask you for further money transfer by bank or in cash (Euro) or via credit card. In the other case, **we would transfer all money back to your account, when not everything was consumed.** An immediate cash payout is not possible.
