Bank details:
Charité Universitätsmedizin Berlin
Deutsche Bank
IBAN DE 89 1007 0000 0711 0000 04
BIC DEUTDE33

Duration of treatment (days)	24
Accompanying person	1.080,00 €
Reserve	7.699,64 €
Service fees	495,00 €
Cost estimate total	84.900,00 €

The cost estimate is based on our knowledge of the health condition of the person, who is planned to be treated. We will invoice you for the actual costs incurred after treatment is completed. The cost estimate is therefore **not** an all-inclusive flat rate.

This cost estimate also does not include translation services.

In order to make the necessary arrangements for treatment, we ask you, as the designated cost carrier, to provide the following:

- 1) The attached “**Agreement for international self-payer patients or patients with international cost carrier**” and the “**Data protection information and release of confidential information authorisation**” must be completed, signed, and returned by e-mail to dhzc-international@dhzc-charite.de. By doing so, you accept the invoicing policies specified here.
- 2) 100% advance payment of the estimated treatment costs to the amount of 84.900,00 €.

The advance payment may be made either by

- transfer, specifying the patient’s name and the CE number KV2023-61119-51356-240528,
- credit card or
- debit from a VISA or Mastercard carried out by us.

If you would like us to initiate a debit from your credit card, please contact us.

Scheduling and admission can take place as soon as

- we have received the signed cost estimate complete with the personal information concerning the cost carrier,
- advance payment of the estimated cost of treatment has been made in full

Please contact us in case of any questions. We look forward to hearing from you.

Yours sincerely,

Customer Relations
Charité Healthcare Services GmbH
