Dear family Khechiev,

You child David is suffering from a congenital heart defect which should urgently be treated. Our physicians saw that you should undergo a surgical procedure such as a complex and complicated operation at the German Heart Institute Berlin.

The medical classification is solely based on the presented medical records and can be revised upon the initial medical examinations.

Should you wish to be treated by the chief surgeon or by an appointed physician under the chief surgeon's supervision the estimated costs for this procedure will be:

- complex surgery utilizing the heart-lung machine 41.610,00 €

Should you not wish to be treated by the chief surgeon the estimated costs for this procedure will be:

- complex surgery utilizing the heart-lung machine 27.850,00 €

Each sum includes a maximum of 14 days (complex and complicated surgery utilizing the heart-lung machine) of hospitalization. Every further day will be billed in addition with 1.760,00 € for treatment by
