Zürich, December 21th 2017 / BELDA

Invoice / Cost estimation

Hospitalisation and follow up exames March 2018 of Kudrina Daria, born 26.10.2011, App. 211, Kazan Allee 114, 171150 Vyshni Volochyok, RUS

Respectful Colleagues, ladies and gentlemen

This letter is to confirm that wie are looking forward to accept Daria for diagnoistic workup and/or treatment at our Universitiy Children's Hospital. The length of stay will be approximately 18 days. The terms and conditions are as follows:

- Planned follow up: MCA and ACA revascularisation left
  Coarctation Aorta
- Specialist: Prof. Dr. Nadia Khan
- Deposit: CHF 156'000
- Date of entry: March 2018

The deposit must be made on our account-number given below. A written confirmation of that transaction must be available before admission, otherwise the planned hospitalization must be postponed.
Zurcher Kantonalbank, CH-8010 Zurich
Account No 1100-5774.758 / Clearing No 700
SWIFT ZKBKCHZZ80A / IBAN CH20 0070 01 10005774758

- **Please indicate the patient's name and birth date.**
- **This should be preferably be done at least a week prior to hospitalization**
- **If your country allows only transfers in US Dollars, please use the current currency exchange to do so**

- Please note that extra cost may arise that will be billed in addition to the above amount. Cost estimate
- Deposit money not used will be paid back. Please let us know your account-number.
- For any eventual further diagnostics or therapy not covered by this document a new cost estimate and deposit must be made.
- Cost for parent's accommodation in our parent's house is not included in the estimate. Rooms/small apartments are available within a price range from SFr. 45.00 to SFr. 130.00 per day (exclusive meals). The room bill must be paid before leaving. Please let us know your request. **It is best to contact our Service point to book a room directly. Contact email servicepoint@kispi.uzh.ch , contact phone +4144 266 72 02.**
- One parent is allowed to stay overnight and sleep in the patient's room (rooming-in).
- We do our best to ensure your stay in a one or two bed room. Please note that this may occasionally not be possible for medical or infrastructural reasons.

We thank you for your interest and confidence in our Department of Pediatric Surgery and are looking forward to your answer.

With best regards,

Prof. Dr. med. Nadia Khan
